**Private Lesson Regulations**

- There must be a second adult present at all times during a private lesson, or a second youth with one adult. This prevents one adult from being alone with a youth.
- Gymnasts must be current on all fees to be eligible for a private lesson. Not all private lesson requests will be granted.
- Lessons are not allowed on the same day as a regular practice, or on the same weekend as a meet for competitive gymnasts.
- Anytime a coach is working 1-on-1 with a gymnast, it is considered a private lesson.
- No private lesson will be approved to work on higher skills other than their current level.
- The number of lessons will be limited per gymnast, at the discretion of the head coach.
- **We require cancellation at least 24hrs in advance. "No shows" or cancellations the same day of the scheduled lesson may be charged up to 50% of the lesson fee.**
