

Dear Potential Sponsor,

Greetings from Umpqua Valley Gymnastics! Each year UVG acts as host to two state-wide competitions: one in November and one in February. Our gym is a non-profit organization, and we are always looking for new local businesses to join with those that already support our mission. Umpqua Valley Gymnastics provides a fun, safe and positive environment where children can be challenged to grow in character, self-discipline and fitness.

Our two competitions are held at the Douglas County Fairgrounds and bring around 150 gymnasts plus their families to Roseburg from all over Oregon and Washington. With so many visitors, this is a great opportunity to showcase our businesses, help boost the local economy and greatly help the largest gymnastics facility in Douglas County.

Over the past 5 years, your donations have helped UVG:

- Cover costs for renting building space for both of our home meets
- Remodel our building; giving our gymnasts more space to have fun, work on skills, and give parents easier viewing access
- Add 35 classes – Including 10+ parkour, cheer tumbling and hotshot classes
- Purchase a new border for our competition floor
- Install a foam pit for vault, tumbling and bar skills
- Grow to over 450 students during the school year!

UVG is an integral part of our community. If your business already partners with us, we thank you. If your business is looking for a good way to reach locals and visitors to Roseburg, we hope you'll consider joining us.
